**SISCO (SECURITY IDENTIFICATION SYSTEMS CORPORATION) AWARDED SMALL BUSINESS  
CERTIFICATION BY PALM BEACH COUNTY, FLORIDA**

West Palm Beach, FL – December 2, 2009 – Palm Beach County, Florida’s Board of County Commissioners has awarded SISCO (Security Identification Systems Corporation) certification as a registered small business. SISCO is now a pre-approved vendor within the County of Palm Beach’s Office of Small Business Assistance. By attaining this status, SISCO is registered with the County as a pre-qualified supplier of access control systems, security systems, card access security systems, composite identification kits and systems, and security consulting services.

The Office of Small Business Assistance (OSBA) is responsible for monitoring conditions affecting small businesses within the marketplace that can provide goods and services to Palm Beach County, thus creating an environment that encourages the growth and development of small businesses in Palm Beach County.

The certification from the OSBA will allow SISCO the opportunity to increase its business activity in Palm Beach County and other counties throughout the state of Florida through small business set asides. The county’s goal is to obtain 15% of its procurement of products and services from certified small businesses.
